

## **Equine Emergency & Critical Care**

Alamo Pintado Equine Medical Center, located in Los Olivos, California, is seeking a board-certified or residency-trained veterinarian in Emergency and Critical Care to provide flexible, high-impact support to our surgical and emergency team. As a global leader in equine veterinary medicine, we are proud to offer a flexible role that allows specialists to practice cutting-edge surgery while maintaining control over their schedule and work-life balance.

We are a full-service equine referral hospital located in the beautiful Santa Ynez Valley. Our veterinary team consists of nine doctors including two board certified surgeons, two board certified internists, and an ambulatory veterinary team that serves multiple breeds and disciplines throughout the Central Coast.

### **Advanced Surgical Support & Diagnostic Capabilities**

Our facility offers access to:

- High-field MRI (1.5 Tesla) and standing MRI
- 64-slice CT scanner and standing CT
- PET imaging and nuclear scintigraphy
- Motion-detection gait analysis system
- ICU and neonatal ICU care
- Hyperbaric oxygen therapy and full rehabilitation services
- Comprehensive digital imaging suite, endoscopy, arthroscopy, laparoscopy, C-arm
- 24/7 support staff including experienced technicians

### **Position Highlights**

- Serve as surgical support for after-hours, weekends and customized shifts
- Collaborate with full-time surgeons, internal medicine specialists, and ambulatory teams
- Provide emergency colic, trauma, or orthopedic procedures with full diagnostic access
- Flexible Scheduling – Providing support to our ER team on a rotating basis throughout the week and on weekends

## **What We're Looking For**

- Board-certified ACVS, ACVECC, or ACVS or ACVECC residency-trained DVM
- California veterinary license (or eligibility)
- Strong emergency surgical skills and decision-making ability
- Flexible, team-oriented mindset and effective communication
- Commitment to excellence in care and client communication

## **Compensation and Perks**

- Competitive production-based or contract compensation
- Paid CE opportunities and clinical collaboration with renowned specialists
- Flexible Work Schedule
- Access to advanced imaging and referral-quality surgical infrastructure

## **Why Alamo Pintado?**

Our team provides elite veterinary care in one of the most beautiful and temperate locations in the country. Enjoy the flexibility of relief work with the professional rewards of a world-class equine hospital.

## **Apply or Inquire**
