Practical support for the veterinary profession—when it matters most

The American Veterinary Medical Foundation (AVMF) is the charitable arm of the AVMA, created to support you and the communities you serve. Through donor-funded programs, we provide resources that help you deliver care during financial hardship, respond when disasters strike, and support the future of the veterinary profession.

Ways to give back in support of the profession—when it matters most

The American Veterinary Medical Foundation (AVMF) exists to support you, your colleagues, and the communities you serve—but our ability to do so depends on charitable support. Every gift helps ensure AVMF programs are available when care, recovery, or professional support is needed, and allows us to do more.

AVMF Tribute Card Program Honor a bond. Make an impact.

Whether you're recognizing a colleague, thanking a client, celebrating a milestone, honoring a beloved pet, or remembering a cherished companion, tribute gifts offer a thoughtful way to give back—while supporting the profession.

Each tribute includes one-of-a-kind artwork, as featured in JAVMA, and a personalized message that AVMF creates and mails on your behalf—postage included.

How it works

- ✓ Visit avmf.org/Tribute
- ✓ Select a design and add a personalized message
- ✓ Make a gift of \$10 or more

Proceeds from the Tribute Card Program support veterinary charitable care through the AVMF REACH Program™.
